

**#1** PHYSICIAN-RECOMMENDED REMOTE  
PATIENT MONITORING PROVIDER

## Welcome to Accuhealth!

On behalf of Accuhealth, I want to officially welcome your clinic as a new customer. We are excited you have chosen Accuhealth as your remote patient monitoring (RPM) provider. We value your support and trust that your experience with Accuhealth will bring you the utmost satisfaction.

The next step, if you have not already done so, is to start referring patients — the more patients you refer, the more successful your RPM program will be. To assist, we have provided a comprehensive marketing kit that we encourage you to utilize in your clinic.

### Marketing Materials to use in your clinic:

- ✓ RPM Poster
- ✓ RPM Video
- ✓ RPM How to Take a Reading Video
- ✓ RPM Overview
- ✓ Clinic Contact Sheet
- ✓ Clinic Contact to Enroll card
- ✓ Clinic Letter to Patient (English)
- ✓ Clinic Letter to Patient (Spanish)
- ✓ How To Use Your Device Trifold
- ✓ Patient Trifold (English/Spanish)

Have questions? Please contact one of our client success representatives by emailing [success@accuhealth.tech](mailto:success@accuhealth.tech). We are here to ensure your RPM program is a success!
